DO. No. Z-14013/4/2025-SBM(DM&SS)

22nd April 2026

Dear Madam/Sir,

We are glad to acknowledge the enthusiasm with which most of the ULBs have responded to Swachh Survekshan 2025-26. The Ministry has engaged, **Ipsos Research Pvt. Ltd.** to conduct an independent and transparent survey for this year.

2. As part of the survey process, assessors are required to visit the Urban Local Bodies (ULBs) to conduct Direct observation of sampled locations across all categories including residential areas, commercial/public areas, slums, schools, tourist/heritage/religious sites, transport hubs, stormwater drains, water bodies, waste processing facilities, STPs, FSTPs, landfill and remediation sites. Citizen Validation and on-ground Citizen Feedback through structured household/shop interactions. In order to collect evidence and capture the best practices, the assessor will also click photographs and capture videos while conducting the on-field assessments.
3. In this regard, all Mission Directors / Municipal Commissioners / Executive Officers are requested to ensure that All citizens, stakeholders, caretakers, managers of sanitation, and in-charges of solid waste management facilities (whether owned/outsourced/PPP mode) are sensitized in advance to ensure smooth assessment of claims made by the ULBs. All officials and workers of sanitation/solid waste management facilities should also be sensitized to ensure smooth assessment.
4. All facilities and schools should be accessible all 7 days a week as the assessment will be conducted on all days. Sanitation worker interviews will be conducted at the vehicle shed location. It is required to ensure the availability of sanitation workers (at least two SWM workers and two sewer/septic tank cleaning workers), preferably at vehicle shed location or any other location feasible to the ULB and this should be communicated at the time of the assessment.
5. **All on-field assessments will happen between 25th April to 31st May 2026.** Further, it is advisable that an authorization letter from your office is provided in the name of Ipsos Research Pvt. Ltd. to conduct assessments within the state.
6. To ensure authenticity, Ipsos Research Pvt. Ltd. will issue Identity Cards to all assessors. A sample of the Identity Card is attached as Annexure 1. Cities may take a note of the same.

I look forward to your support for making Swachh Survekshan a success.

Yours sincerely,

22/4/2026
(Manish Joon)
